

## UNT Police Crime Alert

Oct. 4, 2022

On Monday, Oct. 3, at approximately 10:30 p.m., UNT Police received a report of a possible assault, which occurred west of the Business Leadership Building. A witness reported observing a person who they believed had been assaulted by three male suspects earlier that evening. This person did not observe the assault. The witness attempted to assist the other male when one of the suspects threatened the witness while holding a pipe.

The reporting party encouraged the male who had possibly been assaulted to report the incident to police, however no report was made.

Last week, on Sept. 28, at approximately 7:45 p.m., UNT Police were notified of a simple assault, which occurred east of the Business Leadership Building. In that incident, three males approached the victim and one of the suspects punched the victim.

It is unknown if these two incidents are connected.

This is still an active investigation, and UNT Police encourage anyone with knowledge of the crimes to please come forward.
