

## **UNT Police Crime Alert**

Sept. 30, 2020

On Wednesday, Sept. 30, 2020, a female student reported to the university that she was sexually assaulted inside a resident room at Kerr Hall on Sept. 23, 2020, by a male she met on a dating app. The suspect is described as an 18-year-old white male, approximately 6 feet, 2 inches tall. The female student reported this occurred between 4 p.m. and 5 p.m. after the two individuals smoked an illegal drug together, which affected her ability to fully understand what was occurring.

Sexual assault is not the fault of the survivor. Only a perpetrator can prevent sexual assault. Crime alerts are intended to help the UNT Community stay safe by sharing information about how perpetrators are potentially preying on victims.

### **SAFETY PRECAUTIONS:**

- Immediately report suspicious or dangerous activity to the police by dialing 911.
- Trust your instincts. If a situation feels wrong or dangerous, it may be. Get away, call for help, and listen to your instincts.
- Be aware that intoxicants, including drugs, can be used to control a potential crime victim.
- Always be aware of your surroundings.
