

## **UNT Police Crime Alert**

April 25, 2024

On April 24, 2024, the UNT Police Department was made aware of an arson incident that occurred inside Clark Hall. Staff members in Clark located a placard/poster on the wall that had been burned. There was minor damage to the poster and the wall behind it. The poster was a residence hall sign, commonly found at various locations on UNT's Campus.

Less than 24 hours later, on April 25, 2024, the UNT Police Department was made aware of a second arson incident at Clark Hall where additional items had been burned similarly. These new items were confirmed to be burned after the first report was taken on April 24.

The UNT Police Department is actively working on both cases. Any time items are intentionally set on fire to maliciously damage UNT property, it presents a serious safety concern for the university community. If you have information related to these events, we encourage you to immediately report them to the UNT Police Department by calling the non-emergency line (940-565-3000). If you wish to remain anonymous, please call the UNTPD Anonymous Tip Line at 940-369-TIPS (8477). If there is an immediate risk of danger, please call 911.

### **SAFETY PRECAUTIONS:**

- Immediately report suspicious or dangerous activity to the police by calling 911.
- Trust your instincts. If a situation feels wrong or dangerous, it may be. Get away, call for help and listen to your instincts.
- If you notice indications of burned or damaged property (even if it appears to have happened in the past), do not assume it has already been reported. Please immediately report.
